MAHASTRA

महास्त्र - □□□□□

Cast AGNI, then VAJRA within 4 seconds.

The crystal turns magenta; long fanfare; only the normal costs are paid (25 + 35).

Tip: draw the second shape right after the first.

HOW TO CAST

Hold the TRIGGER, draw the shape in the air, release. The crystal shows the spell.

Mana starts at 100 (the lit crystals).
It refills 2 every second.
A fizzle (unknown shape) costs 5.
Each spell has a 1 s cooldown.

After 45 s of stillness the wand sleeps.
Wave it or press the trigger to wake it.
Red blink = batteries low.
